Ran all test suites.
```

```
Jest did not exit one second after the test run has completed.
```

This usually means that there are asynchronous operations that weren't stopped in your tests. Consider running Jest with `--runInBand` to troubleshoot this issue.

[0;33mOne of your dependencies, babel-preset-react-app, is importing the "@babel/plugin-proposal-private-property-in-object" package without declaring it in its dependencies. This is currently working because
